

**GET INVOLVED WITH OUR
IVF Study (Public Advisory Group)**

**Have you or your partner had IVF?
Would you like to help us develop an IVF
research patient advisory group?**

We are looking for women and/or their partners who have undergone IVF treatment to join a group (University of Bristol and University Hospitals Bristol) to help design a research study.

**This is an exciting opportunity to get involved in
research that could make a real difference.**

The group will meet 2-4 times a year, at a venue in central Bristol. We will reimburse travel expenses and pay you for involvement.

If you would like to know more about this project, please contact Amy for a chat at Amy.Taylor@bristol.ac.uk or call 07970 208 942.
