Involvement Opportunity: Theatre & physical injury

September, Bristol

For: Anyone who experienced an accidental injury between April 2015 & April 2018, and was admitted to hospital for at least 24 hours

What: A researcher is looking for people to contribute to a half-day workshop. The workshop will use a form of participatory theatre to assist service users, providers and researchers to share their knowledge, stimulate debate and identify ways of improving psychological care and support after injury.
