Newsflash

12 April 2018

PHWE changes

People in Health West of England is adapting to changes--please bear with us. The next Newsflash will be on Thursday 26th April. If you have Involvement Opportunities, or anything else you'd like us to consider for the next Newsflash, please email Cathy.Rice@uwe.ac.uk

Involvement Opportunity: Stroke

closes 30th April, Bristol

For: People who have been closely affected by stroke--someone who has experienced a stroke, cared for or supported someone with a stroke--with an interest in improving prevention and treatment of strokes in Bristol, North Somerset and South Gloucestershire.

What: The [Stroke Health Integration Team](#)

Seminar on Public Involvement

26th April, Bristol

For: Anyone interested, including health researchers, public involvement professionals and members of the public (with or without experience of involvement in research)

What: The first in a new series of seminars on Public Involvement at the University of the West of England (UWE). Dr Andy Gibson, academic lead on People in Health West of England, will be leading the discussion.

[Click for more info](#)

Workshop--Introduction to Involving Patients & the Public

23rd May, Bristol

For: Researchers, research managers, and PhD students who are interested in, or responsible for, developing patient involvement

What: PHWE is running a new half-day workshop to explore ways of involving

[Subscribe](#)[Past Issues](#)

Responsibilities include attending meetings throughout the year and providing guidance and feedback on the HIT initiatives.

Involvement Opportunity: Injection Guidance

**April 2018 - December 2019,
Bath/Bristol/Swindon area**

For: People with experience of being cared for in an NHS hospital in the last five years, either as a patient, or as a family member or carer of a patient

What: A Bath University researcher is recruiting two lay advisors to help with his research on making injections in hospital safer.

[Click for more info](#)

Survey: Slipper socks

ASAP, online survey

For: Patients and carers who have experience of slipper socks

What: The NHS Clinical Evaluation Team seeks your opinions in a very brief [survey](#).

[Click for more info](#)

People in Health West of England (PHWE) is a collaborative approach to involving patients and other members of the public to promote a strong public voice for better involvement, better research and better health.

benefits and challenges.

[Click for more info](#)

Journal Club

3rd May, Bristol

For: Anyone interested in public involvement

What: A chance to discuss a published public involvement paper. Future dates are 19th April and 28th June.

[Click for more info](#)

Public Involvement Guidelines

A set of [national standards](#) designed to improve the quality and consistency of public involvement in research has been launched.
