

Stroke HIT Peer Director role advert

The [Stroke Health Integration Team](#) (Stroke HIT) is looking for a Peer Director to join our leadership team. The HIT has representatives from many of the 20 organisations who commission, deliver and evaluate stroke care, across Bristol, North Somerset and South Gloucestershire (BNSSG). We work together to prevent strokes happening and to improve the lives of people affected by stroke.

We want the perspectives of people who experience strokes, their families and supporters to be at the heart of our work, so we are looking for someone with this experience to share the leadership of the HIT.

The role description for the Stroke HIT Peer Director, person spec and application form are attached. If you wish to apply, please return your application form to emily3.dodd@uwe.ac.uk or by post to:

Emily Dodd,
Stroke HIT (Health Integration Team) Coordinator
Room 3L07, Frenchay Campus
